Acknowledgments

Pictured above are the members of the faculty who helped the seniors to put out their yearbook. They are Mr. Stevens, general supervisior; Mr. Ammann, class sponsor; Mr. Johnston, supervising principal; Miss Jones, supervisor of typing; and Miss Lohr, supervisor of art.

We, the Senior Class, wish to express our sincere appreciation to all who have helped the Class of 1954 make The Oracle a success. We would like to give special thanks to Mr. Stevens, who has given his time and leadership in the production of the yearbook; to Mr. Stormer, financial director; to Miss Lohr, for the fine artwork and layout; to Miss Jones for her aid in supervising the typing; and to Mr. Ammann for his efficient leadership as class sponsor.

The co-operation of Mr. Johnston, members of the faculty, and students has made it possible for the Class of 1954 to publish this yearbook. We also wish to thank Henry's Studio, Cresson, photography; Lintz Printing Company, Ebensburg, typography; Bookcrafters, Philadelphia, printers. To all the patrons, sponsors, and subscribers who have given us the opportunity to publish the 1954 Oracle, we say "Thank You."

Mr. Stormer had the difficult task of supervising the business work of the **Oracle.** The money was obtained by getting patrons and sponsors, and through the sale of the book. The senior class also donated a large sum of money.

a full sports program

Minor sports play a very important part in the never-ending cycle of the school activities. They promote good sportsmanship and athletics.

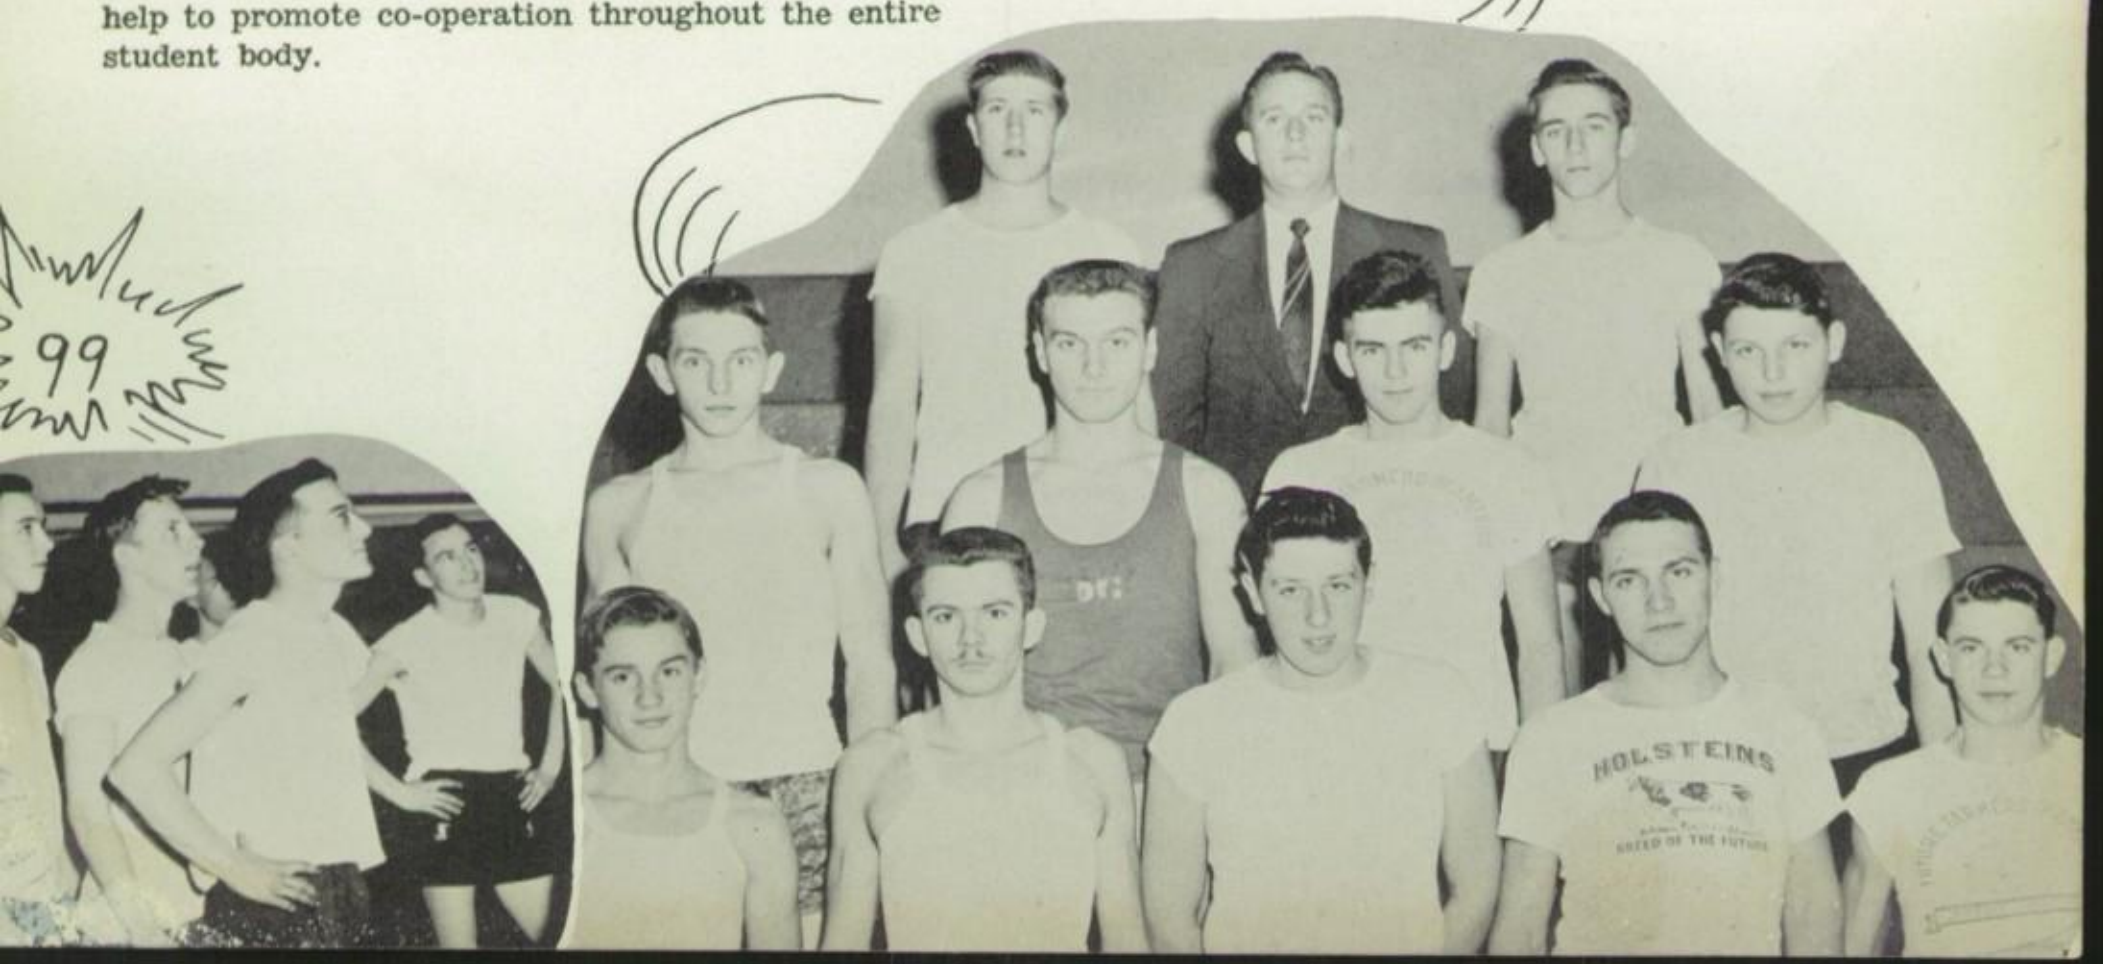
Spring track events are among the most exciting. The Coaches' Meet, Tri-County Meet, and the District Meet are some of the events the boys participated in. Some of the activities taking place at the events were the throw of the javelin, the pole vault, the 880-yard relay and others.

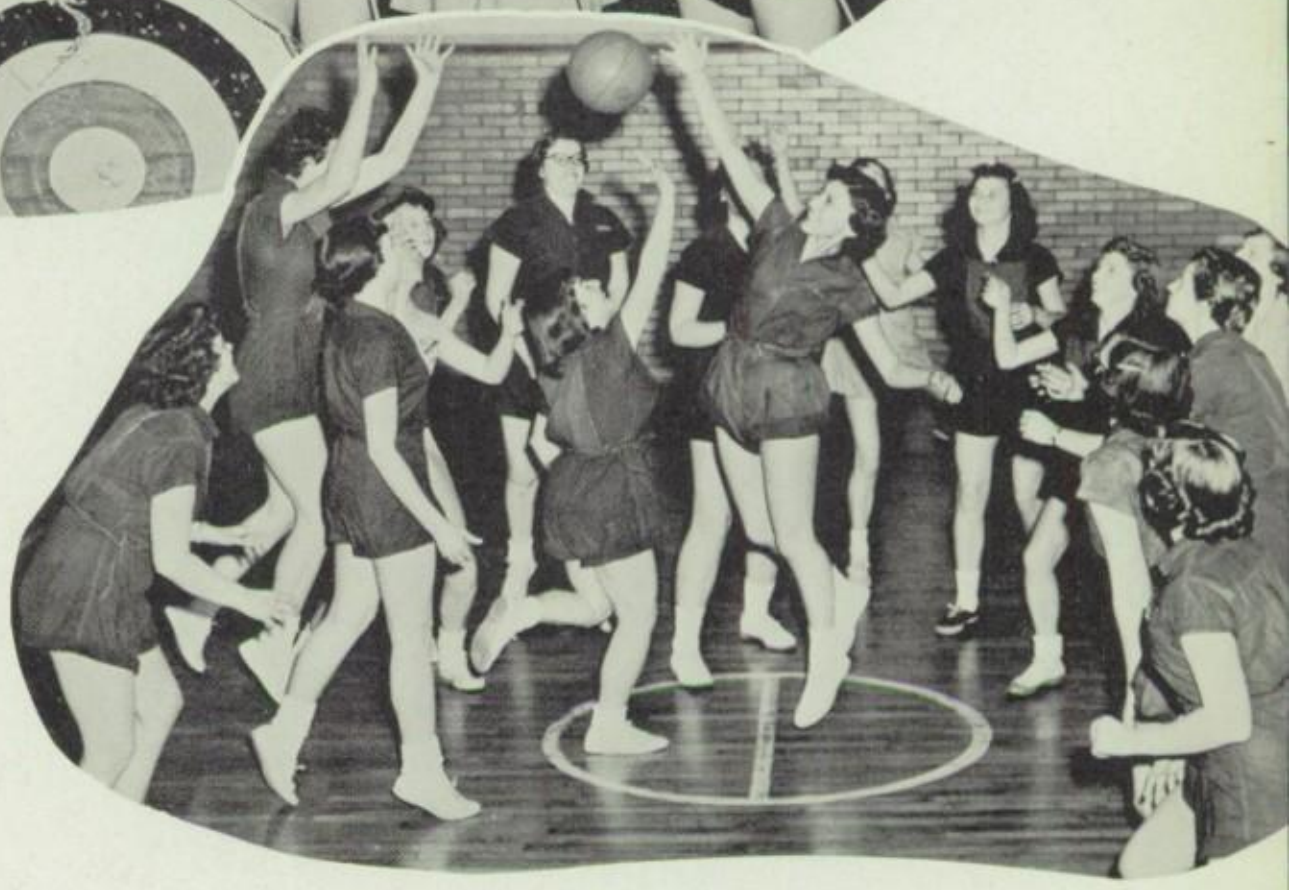
Getting together for a good game of basketball are the Key Club boys. Here the boys are practicing a few foul shots before a game with the Shop boys. The Key Club played every other Thursday night.

A full schedule of activities kept the Shop Department boys pretty well occupied and physically fit. These fellows met each Monday night and played intramurals with the other clubs in the school.

The Ag basketball players, twelve in number, also added their skill to the intramurals.

Most of the boys who did not take part in the major sports find it very exciting in helping their clubs win by adding their skill. The minor sports help to promote co-operation throughout the entire student body.





ECHS Girls Keep Fit

William Tell had nothing over these seven enthusiastic-looking senior misses. Here Charlotte, Carolyn, Julia, Myrna, Patti, Jane, and Joann look very eager to try and shoot an apple off someone's head. Any volunteers? By the looks of the target someone had a few "beginners' luck" shots. This year was the first that archery was introduced to both the girls and boys gym classes.

Shoot! Shoot! No that isn't cheers coming from a shooting gallery; it's only the girls in the process of playing a very exciting basketball game. Carolyn, that was unfair! Don't you think you had an advantage of being just a little taller than Elizabeth?

Bottom picture shows the girls in another phase of the sports performed in the gym classes. Volleyball proved to be a very exciting undertaking this year. Except for a few bumps on the head or noses, everyone came out of the intramurals, that were played among the home rooms, feeling very happy or feeling sportsmanlike, whatever the case might have been.

Elizabeth, you wouldn't be laughing like that if you were the one that was knocked on the head. Mary Jane is raring to get that ball.

Red Devils Cheering Squad

Varsity Cheerleaders

Row One — Arford, Seaman, Duman; **Row Two** — Brown, Emanuel, McChain

The cheerleaders, our school spirit personified! Some may think that all the teamwork and school spirit takes place on the field or basketball floor. The girls who lead those cheers just don't get up there out of the blue. It takes hours of practice and really hard work. Spirit and pep are the essentials necessary. A girl trying out may first get on the Junior Varsity and cheer at all the Junior Varsity games. Then the following year the varsity squad may be the next step. This year two varsity members will be graduating, Colleen Emanuel, captain, and Nancy Seaman.

Mrs. Lease, the squad's sponsor, deserves credit for the good showing of the cheerleaders this past school term. Through her patience and backing, the cheerleading contest, which was held at Davidsville, was made possible. For this contest the new cheer, Satan's Bid, was devised.

It takes eleven players to make a team, but it takes good coaching to make them good players. Our coaches, Mr. Bartoletti, Mr. Cook, and Mr. Meehan, have done a fine job. On the other hand there is much hard work done by the student managers. Larimer, Piercy, Fred Harvey, and Richard Harvey deserves special credit.

Freshman Chorus

The freshman chorus, a newer organization at ECHS, is aimed to train the freshman for the other choruses. Members of the freshman chorus were: **Row One** — Luther, Aitken, Kohute, Hartack, Maderia, Risaliti, Leonard; **Row Two** — Anna, O'Brien, Radebach, McCabe, Lesser, Watkins; **Row Three** — Shea, Kowalsky, Robinsky, Sanders, Moreland; **Row Four** — Hartman, Glass, Paul, Wright

Music for all occasions is provided by girls', mixed, and freshman choruses and girls' ensemble.

The annual Christmas program, presented the day before Christmas vacation, was the first presentation of the choruses. They sang traditional Christmas songs from the balcony as the pantomine was acted out on stage.

After Christmas the chorus began preparing for Forensics which were held March 5 and 6.

The music then changed to a sacred nature as plans were made for the Sacred Choral Concert which was held in the auditorium on May 2. May was the busiest month, for preparations were already in progress for the Chorus Festival, which was held May 7.

Mixed chorus stepped in to provide music at the Baccalaureate Service on May 23.

Another year of study, enjoyment, and entertainment was then completed and the underclassmen looked forward to future years with the Music Department.

Perhaps the "fastest moving" group representing our high school is our Red and Black Band.

With their snappy uniforms, shiny instruments, and high-stepping legs, the 83 members of the Red and Black entertained between halves at the football games with a variety of formations and drills. Edward Monborne, drum major, and Jeanne Kuncelman, head majorette, lead the group in such fine performances on the field.

An important part of the red and black are the eleven high-stepping majorettes, who worked hard on all dance steps and routines which were used this season.

At the end of the marching season, the band settled down to the task of preparing a spring concert. The annual concert was presented with much success under the direction of Mr. Gruver.

Under the leadership of the officers—James Singer, president; Carl Johnson, vice president; Jane Davis, secretary; Glenn Adams and John Lipka, librarians; Julia Davis and Mitchell Ward, orderlies — and the careful guidance of Mr. Gruver, the Red and Black Band at ECHS has been one of the most active organizations in 1953-54.

The clicking of the typewriter keys from the typing room may be the senior commercial students brushing up on their speed and accuracy. It may also be that they are very busy working on the school's handbook. These same students, under the careful eye of Miss Jones, typed all the copy for the Oracle.

Among these commercial students are: **Top Picture:** Row One — Fennell, Rodgers, Quinn, Nyland; Row Two — Sirko, Anderson, Rylke, Downey, Strenko; **Bottom Picture:** Row One — Edmiston, Gerycz, Griffith, Watkins; Row Two — Larimer, Mazzaferri, Myers; Row Three — Storm, Vay, Semelsberger, McKotch; Row Four — Hines, Rager, Glass, Laningham, Manion, Belin; **Circle — Miss Martha Jones**

In his second year as Sport's Editor is Steve Mandes. Steve is also associated with the sports in the Mountaineer-Herald. The only four-year member on the staff is Dolores Belin, the Exchange Editor. Dolly was a reporter for two years and served as Exchange Editor in her junior year.

The 1953-54 literary staff is composed of sophomores, juniors, and senior, who have had previous newspaper experience.

Mrs. Murphy is the literary advisor.

Many changes have been ma in the "Spirit". The paper been increased from four to pages. Pictures, cartoons, special feature articles are just few highlights of the revise "Spirit".

The Oracle

The duties of the business staff were varied. The members took care of subscriptions and delivery of the Oracle. By their work most of the money was obtained to publish the book. The staff, composed of seniors and headed by Mr. Stormer, solicited patrons and sponsors for the book, and their names are printed in the back pages of the book. Miss Lohr and her staff were responsible for the art work and layout of the book, and copy was typed by the seniors directed by Miss Jones.

The members of the literary staff worked together in cooperation with the members of the other staffs to get the year book out on time. Dolores Belin, editor, along with Marlene Dishong and Ann Larimer, co-editors, took the responsibility, under the direction of Mr. Stevens, to see that the book was published and the deadlines were met. The members of the staff worked hard to have the book reach the high rating that it has achieved in previous years. The members have sacrificed much of their time to complete this book.

On February 24 and 25 a new group of actors and actresses took their places behind the footlights as the Class of 1955 presented its first class play, **Almost Summer.**

The members of the cast were (top picture, left to right): Row One — Aroney, Wyland, Hill, Smathers, Leahey, Sherron. Row Two — Singer, Bright, Hunt, Miss Gordon (director), and Martin. They began learning lines and practicing in January.

When the "big moment" finally arrived the make-up committee and student directors — (center picture) Rowland, Kepler, Duman, and Fregley—were on hand to see that everyone looked his best and came in on the right cue.

The stage crew — (lower picture, left to right) Shea, Springer, Tibbott, and Phillips—attended to the jobs of setting the stage with expert efficiency.

The combination of these important factors resulted in an entertaining and successful play and another feather in the cap of the Junior Class.

Cast of Characters

Everything was there—butterflies, last minute forgotten lines, and the whispered question, "How will it go over?"—when twelve nervous seniors presented their class play, **Girl Shy**. The cast, which contained seven veteran actors, spent much time practicing in preparation for this presentation; however, there were many other students working behind the scenes to make it a dramatic success.

The property committee—(lower left) Broad, Logue, Macchoni, and Emanuel—diligently searched for unusual articles often required for a play.

The cast—(top picture,) Hollowsky, Sheehan, Getty, Seaman, Balsinger, Myers, Boyle, Stephens, Johnson, Aroney, Branas, and Ball—were skillfully "painted" by the make-up committee. This group—(top right) Snyder, Jackson, Davis, Singer, and Miss Gordon—performed the difficult task of making the characters look natural under the effects of stage lights.

There was work to be done on the stage, and a willing stage crew—(lower left) Stephens, Klotz, and Durbin,—stepped in, armed with paint brushes, hammers, and saws.

Among the numerous Art Department activities, the Halloween Party seems to have been the center of attraction . . . Especially trying to get the candy corn out of the middle of the whipped cream. According to all the straw it seems the Art Club's hay ride was a big event. . .Adding to the gaiety, the seniors had a wonderful time square dancing at the Swing-In. . .Three minutes is a short time when a student tries to run to his locker and have a short chat.

Holiday Festivities

"Toast of the School" would have been the proper title for all the schools' activities. There were eight major dances sponsored by the clubs and classes.

Highlighting the activities was the Christmas program and Snow Ball, which was held on December 19 and was a semi-formal affair. The bottom picture shows Santa Claus, Pudge Mitchell, crowning Jeanne and Dave, Snow Queen and King of the dance.

The Nativity Pageant featured Marlene as the Madonna. Bob stood gallantly by in his portrayal of Joseph.

Getting the years dances off to a very informal start, the Hobo Hop was held with everyone looking their hoboiest best. The Sock Hop was next and everyone checked his shoes instead of his coat, and presented his flashiest socks.

The Pigskin Turkey, held at the end of the football season, honored the varsity members, who worked so hard trying to bring the bacon home each week.

The Junior-Senior Prom and May Dance, formal dances, were held near the end of the term. A May Queen and her court were voted by the school to reign over the May Dance. Finis, meaning "the end" in Latin, was the last dance of the school year.

"The Varsity Club has our permission to hold the May Dance in the gym." With this statement Student Council has just performed its chief duty - - approving activities of school organizations.

The governing body of ECHS is composed of twenty-two members representing the four classes. They work with Mr. Johnston, sponsor. to better school management. The council is also responsible for the ten-cent programs which are educational as well as entertaining.

Officers of the organization were James McCabe, president; Richard Booth, vice president; Alice Bright, secretary; and Alice Griffith, treasurer. Members of the Council, pictured above are: **Row One**— Rossi, McCabe, Mr. Johnston, Booth, Bright; **Row Two** — Mazzaferri, Dilick, Monborne, Hoke, Davis, Ceresa; **Row Three** — Buffoni, Jenkins, Lagana, Rowland, Jones, Griffith, Aroney; **Row Four** — Shields, Richardson, Shook, Duman, Scanlan.

ALMA MATER

Atop the verdant Alleghenies
Our high school stands supreme
Whose halls shall in our minds forever
Abide with us, our fondest dream.
To scenes we've learned so much to cherish
'Twill be so hard to say good-bye
As those who pledge with us devotion
To Ebensburg-Cambria High.

Since high school friendships soon will sever
And fade as does the dying day.
New comrades will our lives enlighten
As in the world we wend our way;
And yet whatever be life's fortune
Tho' memory fails, for friends we sigh,
We'll love thee still, Our Alma Mater,
Our Ebensburg-Cambria High.

'Twill be so hard to say good-bye

Smile and the world smiles with you!

With this class motto in their minds, the seniors will reach their soon-to-be realized goals in the very near future. From the largest freshman class in the history of ECHS, the present graduating class has dwindled to 154 students, preparing to face the life's problems.

Although some may feel rather secure about their futures and others seem to be uncertain as to what they will choose as their life's work, in due time it will come out accordingly for everyone. The colors, blue and gold, signify the pride and glory which the seniors have maintained as goals, throughout the four years.

The class flowers, snapdragons, also was a good example of the students' eager and enthusiastic participation in all the exciting activities of the school.

High School friendships soon will sever, and fade as does the dying day. This brief line taken from the Alma Mater potrays the sentiments of the diploma bearers.

These pictures show the seniors as a unit, perhaps for the final time. Those absent at the time the pictures were taken were Vivian Semelsberger, Alan Griffith, Janet Nyland, Clair Farabaugh, and Frank Hresko.

ECHS Freshmen - Class of 1957

Out of the two hundred and twenty-five freshman there was a larger group of them taking part in the various clubs of ECHS. Freshman Chorus held the fort with twenty-two of the freshman girls. Future Farmers of America came in second with eighteen of the freshman boys. Seventeen boys were represented in football. The Tri-Hi-Y's made a gain by taking in a total number of thirty girls, Alpha getting the highest number of twelve. Gamma, one of the newest Tri-Hi-Y's, had eight to be inducted, leaving the total of six to Beta and four to Delta.

To make up for the senior band members who graduated last year, the band took in twelve new musical freshman. The Junior Science Club admitted five new Einsteins while the Michaelangelo Club, or Art Club, had three new members. The Library Club admitted three new bookworms to their association. The mixed chorus was the least represented with only two new songbirds. They were also eager participants in the many parties, dances, and in the extra-curricular activities of the school.

In 1957 when the seniors, now freshman, will walk down the aisle to receive the most important piece of paper ever handed during their four years at ECHS, their diploma, perhaps they will realize how important their high-school training will be for their future years in whatever line of work they plan to do in the world.

ECHS Sophomores - Class of 1956

A skate and the traditional sophomore class party highlighted the school calendar this year for the Class of '56. Of the larger class, many participated in the activities of the school. Among these were: Four in the Key Club, fifteen in football, five majorettes, one drum major, twenty in band, nine on the Spirit Staff, five in Art Club, five in the Industrial Arts Club, seven in Tawasi Club, five Future Teachers of America, five Future Farmers of America, thirteen in Library Club, eleven in Alpha Tri-Hi-Y, twelve in Beta Tri-Hi-Y, seventeen in Gamma Tri-Hi-Y, twenty-six in Delta Tri-Hi-Y, and twenty-eight in the choruses.

With the assistance of the three sponsors — Mrs. James, Mrs. Gruver, and Mr. Krumenaker — plans were made for a skate which was held in October. The sophomores invited the school to be their guests at Cicero's. Money from this was stashed away in the treasury along with the dues where it was kept in safekeeping until a good use could be found. What better use could you hope for than a bang-up sophomore class party!!

Plans were made in grand style for this big social event. On February 12, the sophomores held the spotlight as everyone had an enjoyable time at the party. Now the year is approaching its close and, as the cycle of time moves on, the seniors depart, the juniors become seniors, and the sophomores at last become upperclassmen.

Class of 1955

The juniors, soon to be the iron hand of ECHS, consider themselves as upperclassman when they graduate from jolly sophomores to serious juniors. This energetic class immediately plunged into the projects of the year. Their first money-making project was selling peanuts. This turned out to be very profitable.

The class was well represented in all activities of the school. There were nine in the Key Club and nine in football, and eight junior girls helped cheer the football and basketball players to victory. The juniors showed their spirit when eighteen members participated on the Spirit Staff, seven junior members were on the Student Council, ten were in Art Club, five in Industrial Arts Club, nine girls in Leader Club, nine in Tawasi, eight in Future Teachers of America, nine in Junior Science, nineteen in Senior Science, five in Future Farmers of America, twenty-one in Library Club, thirteen in Alpha Tri-Hi-Y, eighteen in Beta Tri-Hi-Y, nineteen in Gamma Tri-Hi-Y, thirteen in Delta Tri-Hi-Y, nineteen in band. A great number of junior members participated in the choruses with twenty-seven in the mixed chorus and nineteen in the girls' chorus.

Then came the day of the traditional junior class play "Almost Summer" which was very successful. Finally, the night of the Junior-Senior Prom arrived. As they danced to the dreamy music, they dreamed of the next year when they would become seniors.

Delicious appetizing aromas pouring forth from the cafeteria are given ingredients by our two cooks, Mrs. Peter Lagana and Mrs. Ronald Waring (top left). They prepare the meals and serve the lunches, aided by many willing helpers of ECHS.

This year, for the first time, we had a student English teacher from St. Francis College. Miss Claire McDermott (top middle) taught English IV.

Full semester student teachers this year from State Teachers College, Indiana, included Miss Sally Scheeren and Miss Antoinette Zeoli (top right). They were commercial teachers for the first semester. Second semester teachers (bottom right) were Boyd G. Plymire and Eugene C. Cecchetti.

Cleaning up the halls and rooms of ECHS are our three faithful janitors. Center pictures show Merle James and John Berkstresser, day janitors, and Reed Jones, the night janitor.

Our Chief

Mr. Johnston, supervising principal of Ebensburg-Cambria, extends a guiding hand to all students both new and old. His welcoming of new students, carrying out traditions of good fellowship, and giving his understanding attention to all matters, help the students to cooperate with others.

The students have great respect for his actions and value his decisions highly. For twenty-five years they have realized that these decisions are for the benefit of all. Through his guidance, he has succeeded in upholding the high standards of democracy in Ebensburg-Cambria.

Pictured below is Miss Jean Evans, secretary in the Principal's Office. She is a 1951 graduate of ECHS.

His Aide

We the class of '54 are the twenty-fifth class to graduate from ECHS. As have the other classes before us, we have enjoyed the privileges and advantages of superior guidance. We probably have not realized the factors that so greatly influence the four very important years that we spent here. Planning for us and guiding us from that day when we entered these doors as freshmen until we reached the final goal, graduation, have been the school board, faculty, and our commander in chief, Mr. Johnston. We wish to thank these important leaders for making our four years here so well spent and enjoyable. We hope that in life we shall be able to uphold the high standards of ECHS and its administration.

Our directors

Ebensburg-Cambria High School, one of the oldest jointures in Cambria County, now is twenty-five years old. The School Board, consisting of seven directors from Cambria Township and five from Ebensburg Borough, today are upholding a high tradition of a good educational system started by foresighted directors twenty-five years ago.

Cambria Township members pictured above are: **Front Row** — George Davis, Dino DeYulis, Bert Reese, Roy Empfield; **Standing** — John Pavuk, Jr. and Frank Lagana; **Absentee** — George Kormanis.

Ebensburg members pictured below are: **Front Row** — John Askew, William Anderson, James R. Sanner; **Standing** — John Elder and Harry Englehart.

The officers of the joint board are Mr. Davis, president; Mr. Anderson, vice president; Martha C. Davis (center circle) secretary and A. W. Evans, treasurer. Both the secretary and treasurer are non-members of the School Board.

Cadets work

Music

Our band, orchestra, and choruses have participated in many activities throughout the school year including successful forensics and radio programs as well as concerts and entertainments. Mr. Gruver instructs Connie, Jane, Carl, Barbara, and Delores.

Mathematics

The Mathematics Department helps students learn to solve different types of problems. These various courses lay the groundwork for future engineers, chemists, and scientists. Mr. Thorton gives instruction to Mary, Bob, and Jeanne.

Commercial

With every new class of students coming to E C H S, the Commercial Department is expanding. Another typing room has been equipped in 204 this year for junior commercial students. Here Eleanor, Mrs. James, and Janet enact actual office procedure.

Space at

Library

A wonderful source of information is in the library, which is open anytime during the day. In this picture, Miss Englehart is giving instructions to Ann, Jane, Myra, and Joann on how to record in-coming and out-going books.

Art

The Art Department is a valuable part of our school. The students make decorations for the halls to commemorate holidays and school activities. Here Miss Lohr shows Elizabeth, Ronnie, Mary, Doris, Jon, and Mario, how to make colorful leaves.

Spanish

One of the major academic subjects taught in our school is Spanish. Also academic students are drilled in history, English, and Latin. Here Mr. Bartoletti is teaching Mike, Faber, Mary, Myrna, and Frances how to congugate a verb in Spanish.

Cadets at work

Home Economics

Cooking, sewing, home nursing, and other phases of making a home are taught in Home Economics. The girls learn modern methods and practice with the up-to-date equipment. Here Mrs. Gruver, Imelda, Jane, Shirley, and Doris cook another dish.

Driver Training

ECHS offers to students over sixteen an excellent driver education and safety course. Its purpose is to teach the proper operation of an automobile by experience. Below Mr. Miller instructs Jane, Louise, and Connie in driving training and safety education.

Physical Education

On warm days gym classes enjoy softball, soccer, and archery outside. During colder weather the gymnasium is the setting for many active sports. These provide relaxation and teach good sportsmanship to Betty, Shirley, Mary, Patti, and Ruth.

Space at

Industrial Arts

All boys taking this course are instructed in metal work, woodwork, and mechanical drawing. The shop's equipment is modern with every type of machine. Here Lawrence, Ken, Dave and Clair are being instructed by Mr. Dugoni in the work.

Attendance Office

During the years of high school, usually each person takes his turn in visiting Miss Davis, the attendance director. Many times she has a difficult time distinguishing truth from fiction. Besides taking care of attendance, Miss Davis also teaches.

Agriculture

Agricultural students work with farming impliments and study the textbooks, bulletins, and farm journals. The course includes the use of farm tools and equipment. Here Mr. Campbell instructs Bill, Dale, and Emil in the method of testing milk.
